Our mail server will be shut down for maintenance and upgrading of communications software from 6:00 PM until approximately 11:30 PM on Saturday, December 3. During this period, you will be unable to access SmithCo Mail from the office or from remote locations. No incoming messages will be lost, however. After

the maintenance and upgrading is complete, select "SmithCo Mail" as you normally do. You will then see the new log-on screen described in this morning's meeting. To begin using the software, you will need to enter and confirm a new password. Your existing password will see a menu of choices. Although the menu items are self-explanatory, click on "Help" for clarification or for more information.

21. What must employees do before they will be able to use the new communications software?

- ① Select "Help" from a menu of choice
- ② Call Mr. Williams for more information
- ③ Obtain new software from Mr. Williams
- ④ Create and confirm a new password
